

## BOMA SAN FRANCISCO YOUNG PROFESSIONALS

# 2010

BOMA Young Professionals, BOMA<sup>YP</sup>, are the members of our association in the early stage (0-7 years) of their commercial real estate careers. The BOMA<sup>YP</sup> Steering Committee hosts a variety of educational and social offerings to provide professional development, facilitate association awareness and inform these younger members the benefits of participation. If you have questions, please contact 2010 BOMA YP Steering Committee Chair Michelle Funkhouser at [michelle.funkhouser@hines.com](mailto:michelle.funkhouser@hines.com). To sponsor events, contact Sponsorship Chair Amber Miller at [amiller@bostonproperties.com](mailto:amiller@bostonproperties.com).
