Promote your company’s services and products to members of the Building Owners and Managers Association of San Francisco and others in the Bay Area’s most target-rich commercial real estate market in our full-color print and online publication: BOMA VIEWS. (Click here to view a recent issue.)

In addition to display advertisements, you can purchase “special reports” that detail in article format how your services and products benefit customers and prospects. Tell your story in your own words, with photos, charts and graphs. (Editorial assistance is available for a modest fee.) After your special report is published, you can also freely email it to prospects, link it to your website and reprint it for marketing use.

Reach these direct purchasers and influencers:

♦ Asset Managers and Owners
♦ Property Managers
♦ Facility Managers
♦ Security Directors
♦ Building Engineers
♦ And many others who influence buying decisions

Marketing to your prospects through trade associations is the most cost-effective way to target your audiences. We have created BOMA VIEWS to give you an opportunity to focus on your best markets at reasonable advertising rates that are unavailable at publications that reach general business audiences.

"Skyline Construction’s quarterly sponsored reports in BOMA VIEWS allow us to showcase our construction expertise to our target market in a cost-effective manner. This visibility has resulted in new business for our firm.” – Ali Burger, Skyline Construction

“"Our business is very personal, and it is important that we capture a target audience while putting a personal touch on any marketing campaigns we create. The BOMA Views team worked diligently with me to create a fantastic special report that accomplished all of our goals. We have heard amazing feedback.” – Manuel Fishman, Buchalter Nemer

"The opportunity to write a bylined article produced tangible results – both from existing clients and opening the door to new clients. BOMA and Eason Communications worked with me to accommodate my needs and to give me the greatest exposure.” – Ryan Rusler, Har-Bro Restoration
